Topic	Projects	Set half-termly	
YEAR 6			
English	Spellings Comprehension	Friday	Following Wednesday
Maths	Arithmetic Test Paper	Friday	Following Wednesday
Topic	Projects	Set half-termly	

In support of our Homework Policy, please see below for a more in-depth overview of the homework you can expect children to receive in Year 5 and Year 6. Please be aware that this may occasionally vary and the class teacher may give out additional work; this is at their discretion. Children will also complete a half-termly project, linked to their Cornerstones topic. We also encourage children to continue to practise their times tables and number bonds to achieve instant recall and read daily (to be recorded in Reading Diaries).

If there is anything that the pupils do not understand, we encourage that they speak with their Form Tutor and we will gladly explain it further.

Please see below for a series of interactive and engaging learning sites that can also be put to good use for daily revision:
