Science	Curriculum based homework	Monday	Following Monday
French	Curriculum based homework	Monday	2 weeks
Humanities	Curriculum based homework	Monday	Every week
Art/Music	Topic based homework	Set half termly	End of the half term

After a review of our KS3 homework timetable, based on feedback received on parents evening, we decided to make some amendments to our structure, in order to challenge pupils, support parents and ensure that learning is being consolidate at home.

Please be aware that this may occasionally vary and the class teacher may give out additional work, this is at their discretion.

All mathematics homework will be set on: <https://www.mymaths.co.uk>

For English, Mr Bick will set homework to all classes online, in order to develop the children comprehension of what they read, also allowing to keep a close track of the progress pupils make over time.

For humanities subjects, pupils will receive homework every week, however one week might be Geography, following week History and follow by RE homework in the following week.

Hope this can clarify and inform all parents about the homework arrangements, however if you have any concerns or questions, please don't hesitate to contact me at any time.
