Pupil Premium Policy

The target strategic use of pupil premium will support us in achieving our vision.

Principles

Our federation ensure that teaching and learning opportunities meet the need of all of the pupils. We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.

In making provision for socially disadvantaged pupils (including LAC), we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the pupil premium funding to support any pupil or groups of pupil the federation has legitimately identified as being socially disadvantaged, at least 70% of any group will be made up of FSM children.

Pupil premium funding will be allocated following needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Provision

The range of provision the Governors may consider making for this group could include:

- Providing small group work with an experienced teacher focused on overcoming gaps in learning
- Additional teaching and learning opportunities provided through learning mentors, trained TA's or external agencies
- All of our work through pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in communication, English and Maths

Provision will not be aimed at children who are statemented, have an EHC plan or those at SEN Support Stages 1 or 2.

Reporting

It will be the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports for the Governor's strategic and finance committee on:

- The progress made towards narrowing the gap, by year group, or for socially disadvantaged pupils
- An outline of the provision that was made since the last meeting
- The Governors of the federation will ensure that there is an annual statement to parents on how the pupil premium funding has been used to address the issue of 'narrowing the gap' for socially disadvantaged pupils. This will be made public via our school website
