- What does this event signify?
- What can you find out about the history of the event?
- What is the colour?

Create a “wiki” type page to inform others about the event. You could design your own colour for your family, or club, or the school.

You may want to research the Royal Family tree.

- Have you ever seen anyone from the Royal Family?
- Have you celebrated royal events at home?
- What does the Royal Family do for the country.
- Some people disagree with the Royal Family – why do you think this is?
- What do you think?

Looking forward to seeing your work – Mrs Lewis 😊
