

MY FUTURE

"You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the guy who'll decide where to go."

-Dr. Seuss

- What are your hopes for the future?
- In the short term – what do you hope to get up to during the Summer holidays?
- Have any of your plans changed due to the pandemic?
- Are you moving school?
- In the long term – what do you hope to do when you're older? Or do you have no idea yet?
- What are you looking forward to as you get older - learning to drive? Being allowed to vote? Why are these things important to you?
- Write a letter to your future self, explaining what you hope they will achieve.

Friday 17th July.

This is our last day of the academic year and for some of you it is your last day at Potton Middle School. We would like to celebrate this!

Traditionally at the Lower School we have a family picnic, and I thought it would be nice if we could all have a picnic with our families outside and listen to our favourite prom songs that we have voted for.

I even thought if everyone did this at 12.30 we might be able hear the music all over Potton!!
